INTRODUCTION

MRS. T.NASRATH BEAGUM

"Art speaks where words are unable to Explain." It plays an indispensable role in cognitive, motor, language, social, and emotional development. Art motivates and engages children in learning, stimulates memory, facilitates understanding, enhances symbolic communication, promotes relationships, and provides an avenue for building competence.

Recognized as a "Born Artist" by her Guru, Mr. R. Rajendran, T. Nasrath Beagum is the proprietor of Design School, where she has dedicated herself to honing her sculpting skills. She completed her Fine Art Course in Chennai and passed the Higher Grade Technical Examination conducted by the Government of Tamil Nadu. For over 13 years, she has been a devoted facilitator, guiding students in exploring their creativity and instilling in them the confidence to experiment with colors. Her hard work, patience, and determination have inspired many children to develop their art and painting skills. She has participated in notable art exhibitions such as "Infinite Expressions" in 2011 and "Magical Expressions" from 2012 to 2014. Nasrath Beagum is skilled in a wide range of techniques, including Portrait, Pencil Shading, Brush and Ink work, Still Life, Poster Colors, Watercolors, Acrylic Painting, Oil Painting, Palette Knife Painting, Kerala mural, Pop Art, Fiber Mural, Tanjore Painting, Sand Art, and Contemporary Art.

Among her many masterpieces are significant works like "Kudi Bothai Vizhipunarvu," a painting on "Child Abuse Prevention Awareness" created in 2020 for Young Indians and the Confederation of Indian Industry's Masoom Book. She also illustrated the cover page for the poetry book "Kaadhal Manyu."

To further nurture artistic talent, The District Collector, Thiru. M. Pradeep Kumar, IAS inaugurated an e-commerce branch where paintings by our school students are sold, fostering entrepreneurship and turning their passion into a professional pursuit. Design School has proudly seen over 50 paintings and the cover page published in the magazine's special edition, "The Coffee Table Book," by the Government of Tamil Nadu, featuring the historical heritage and artwork of the Trichy district, exclusively done by our emerging artists. Additionally, the e-commerce venture has successfully sold paintings also. Her artistry continues to leave an indelible mark on the world of art, spreading the magic of art and inspiring both her students and admirers alike.

OUR STUDENTS FEEDBACK

Kavitha , Parent of s. K. Ajey shabhunan

I am Kavitha , parent of s. K. Ajey shabhunan proud to say my son was in design school for more than 6 years. Mrs Nasarth mam and Nisha mam were played the role of mothers not as teachers. Continuous supervision makes him a good artist. He displayed two exhibitions by means of knife painting, acrylic etc. This art form makes him perform in various zones such as soap carving, drawing competition, best out of waste etc . Those who have enthusiasm in doing art will shine in any field. I have the honour and pleasure to extend your service mam

I am S. K. Ajey shabhunan ,2nd year M.B.B.S.,(2014 -2020) I was inspired even in the first day of design school, mam's kindness, sincerity is the gift of God. Drawing has always been my area of interest during my childhood days. Nasarth mam helped me to carve out the interest to make me a better artist, I'm extremely obliged to learn the various art forms, different colors from mam. Art exhibitions are conducted every year kindle the interest in students to achieve beyond the heights they would have imagined for mam's skill, dedication and hardwork act as a propeller that flies the design school to greater heights Thank you mam.

S. K. Ajey shabhunan

Shivani Baskar [2012-2017], Data scientist New York

Before joining Design school, I wouldn't have considered myself as a skilled artist, even though I always had a deep love for painting. Nasrath Mam played a pivotal role in helping me discover my capabilities I never knew existed. Design school was instrumental in honing my techniques and artistic abilities. Over time, I had the privilege of showcasing my talent and creativity at exhibitions and creating some of my most cherished memories.

Sree Pradeebha, 2nd Year B.Tech, NIT Calicut

Design school is one of the most wonderful things that has ever happened to me. My journey with Design School started around my 7th grade after which I saw myself growing into an artist. Art exhibitions were truly bliss. It helped me learn a lot of techniques in art and increased my observation skills. One important skill that I developed was patience. Nasrath mam, not just our art teacher, she has always been a mother to all her young artists. Whichever level you are at art, just jump into Design school, you will see yourself growing. I just want everyone to experience such a journey in your lifetime. Thank God and thanking every single person who helped me enjoy this journey.

Prathiksha,UIDKARNAVATI UNIVERSITY Interior and furniture design Sem 5

Hi, this is Prathiksha. I am an alumni of the Design School of Arts and currently in my third year of studying interior design. I've been passionate about art since I was young and wanted to explore deeper into the field. The Design School has been instrumental in helping me achieve this. My experience there has been wonderful, as I was encouraged to explore freely and received the right guidance. The school also motivates students by organizing exhibitions and competitions. I want to take this opportunity to thank Nashrath Ma'am and Nisha Ma'am for their guidance and support in pursuing my passion.

Last year's Exhibition, Magical Expressions 2023 titled "Thoorigayil Thiruchi" was a significant event inaugurated by the Honorable Collector Mr. M. Pradeep Kumar. During this exhibition, we displayed themed pictures highlighting the rich heritage, culture, and history behind every monument and heritage site in Tiruchirapalli. The stories and mysteries behind each of these were thoughtfully presented, inspired by Kavingar Mr. Nandlala's book, "Oorum Varalaru".

We were privileged to have the Education Minister of Tamil Nadu, Mr. Mahesh Poyyamozhi, and Thiru K.N. Nehru, Minister of Municipal Administration, join us for the inauguration. This exhibition was a transformative experience for our artists, who evolved into young entrepreneurs by successfully selling their artwork. The theme-based works presented at the exhibition were celebrated and given recognition through the publication of a coffee table book named "Sirapalli", authorized by the Government of Tamil Nadu.

The inauguration took place at the book fair, marking a memorable moment for all involved. We are honored to have been a part of this remarkable event and extend our heartfelt gratitude to the Honorable Collector Mr. Pradeep Kumar for his invaluable support. We also thank Kavingar Mr. Nandalala for his valuable inspiration and the Deputy Collector Ms. Sharanya for her support.
